Allowable Subject Matter

2. Claims 11-16 and 18-20 are allowed.

The following is an examiner's statement of reasons for allowance:

- The primary reason for the allowance of claims 11-16 and 18-20 is the inclusion of the limitation of a liquid injection apparatus comprising a support member extending from the cap and the support member are escaped from the path of the liquid injecting head so that the support member is prevented from interfering with the liquid ejecting head and the support member. It is limitation found in each claims, as it is claimed in the combination, that has not been found, taught, or suggested by the prior art of record which makes these claims allowable over the prior art.
